☑ **Tip:** If you enter quotation marks around your search terms, TampaCareers will do a search on the exact phrase between the quotes. If you don't have quote marks, TampaCareers will retrieve job postings in which at least one of the search terms is present.

### Advanced Search

You may want to narrow down your search using our Advanced Search tool. The Advanced Search tool allows you to:

- Enter up to five keywords, with one word or phrase per entry field (e.g., “accountant” and “administrative assistant”).
- Use "Smart Match", which will expand your search to include variations on words in your keyword fields. For example, if you enter “accountant” the Smart Match feature will include “accounting”, “account”, etc. It will also insert any keywords that are mapped to a concept.
- Choose whether you want to AND or OR your keywords. By selecting the “AND” option, you will narrow your search results by requiring the search to only bring jobs that show all of the keywords in your list. By selecting the “OR” option, you will be expanding your search by allowing the search to bring you any jobs that have at least one or more of your keywords.
- Select one or more job categories.

- Search by job type (Regular, Contract, Intern, or Temporary).
  - Search by location and zip code.
  - Search by radius - Start by selecting a zip code, and a distance from that center point to perform a radius search.
- 

## Definitions

- **Regular:** Permanent or long-term employment.
  - **Contract:** Working independently on behalf of an employer. A contractor is not typically on an employer's payroll.
  - **Intern:** Working in a professional environment to complete an academic program.
  - **Temporary:** Short-term or seasonal work often placed through an agency.
- 

## Registration

Registering with TampaCareers gives you access to cutting-edge job search tools that really rev up your hunt. You can post your resume online for employers to view and then instantaneously view a list of all the current jobs in our database that match your credentials. TampaCareers will then send you daily notification emails as new matches for your resume are found. You can also create your own personal search agent that will scour our database nightly for the exact jobs you want.

The following procedures take you through the registration process:

1. Name - Enter your first, middle, and last names, using proper capitalization and punctuation.
2. Address - Use one or both of the first two lines for your home address or post office box.
3. Contact - Provide a phone number you can be regularly reached at, whether your home phone or a cell phone.
4. User ID - Your User ID should be six characters or longer, and can contain uppercase and lowercase letters, numbers, and some punctuation.
5. Password - Your password should be at least six characters long, easy for you to remember and difficult for others to guess. Do not share your password with anybody.
6. Password Questions - Select a question and answer that will help you remember your password. In case you forget your password, you will be able to use this as a reminder.
7. New Password - If you are changing your password, you will be asked to enter your old password first, for security purposes.
