

DriverJobs User Guide

Introduction

About DriverJobs

DriverJobs.com is your online resource for jobs and talent that moves you. We offer drivers a place to find relevant jobs that fit their needs and specialties, as well as advice, tips and industry news that will help

- Search by location and zip code.
 - Search by radius - Start by selecting a zip code, and a distance from that center point to perform a radius search.
-

- Job Search
- Resume Builder – a four-step process to create a resume. Then you can upload a resume as a supplementary document (recommended).
 - Copy out the options for the registration fields
 - Copy out the options for the desktop view options including View, Status, Matches, etc.
- Job Search Agent - Search agents are automated job searches. Create a search and you will be notified by email when there are new jobs.
 - Copy out the options for the job search agent creation fields
 -
