Advanced Search

Because there are tens-of-thousands of jobs on FloridianJobs, you may want to narrow down your search using our Advanced Search tool. The Advanced Search allows you to:

- ✓ Enter up to five Key words fields, with one word or phrase per entry field (e.g. “accountant” and “administrative assistant”)
- ✓ Use "Smart Match", which will expand your search to include variations on words in your Keyword fields. For example, if you enter “accountant” the Smart Match feature will include “accounting”, “account”, etc. It will also insert any key words that are mapped to a concept.
- ✓ Choose whether you want to AND or OR your Keywords. By selecting the “AND” option, you will narrow your search results by requiring the search to only bring jobs that show all of the key words in your list. By selecting the “OR” option, you will be expanding your search by allowing the search to bring you any jobs that have at least one or more of your key words.
- ✓ Select one or more job categories
- ✓ Search by job type (Regular, Contract, Intern, or Temporary)
- ✓ Search by location and zip code.
- ✓ Search by radius- Start by selecting a zip code, and a distance from that center point to perform a radius search

 **Definitions:**

- **Regular:** Permanent or long-term employment.
 - **Contract:** Working independently on behalf of an employer. A contractor is not typically on an employer's payroll.
 - **Intern:** Working in a professional environment to complete an academic program.
 - **Temporary:** Short-term or seasonal work often placed through an agency.
